

LONG BEACH SMOG TEST ONLY

Star Certified

YOUR SMOG TEST

\$10 OFF

Valid Until August 2025
Applies only to 2000 & Newer Vehicles

Hello dear customers, we from Long Beach Smog Test Only wanted to inform you about a construction zone near us, as people misunderstand that our shop is STILL OPEN regardless. We urge our customers to go the extra mile and immensely appreciate your efforts. BELOW are two alternatives routes to our shop.

Our small family-owned business has taken a hit from this. So If you can take the extra step, we will greatly appreciate it. You will be helping us immensely. Thank you!
